THE CLASS OF 1996

READING MEMORIAL HIGH SCHOOL
62 OAKLAND ROAD
READING, MASSACHUSETTS

THIS IS THE TIME TO REMEMBER

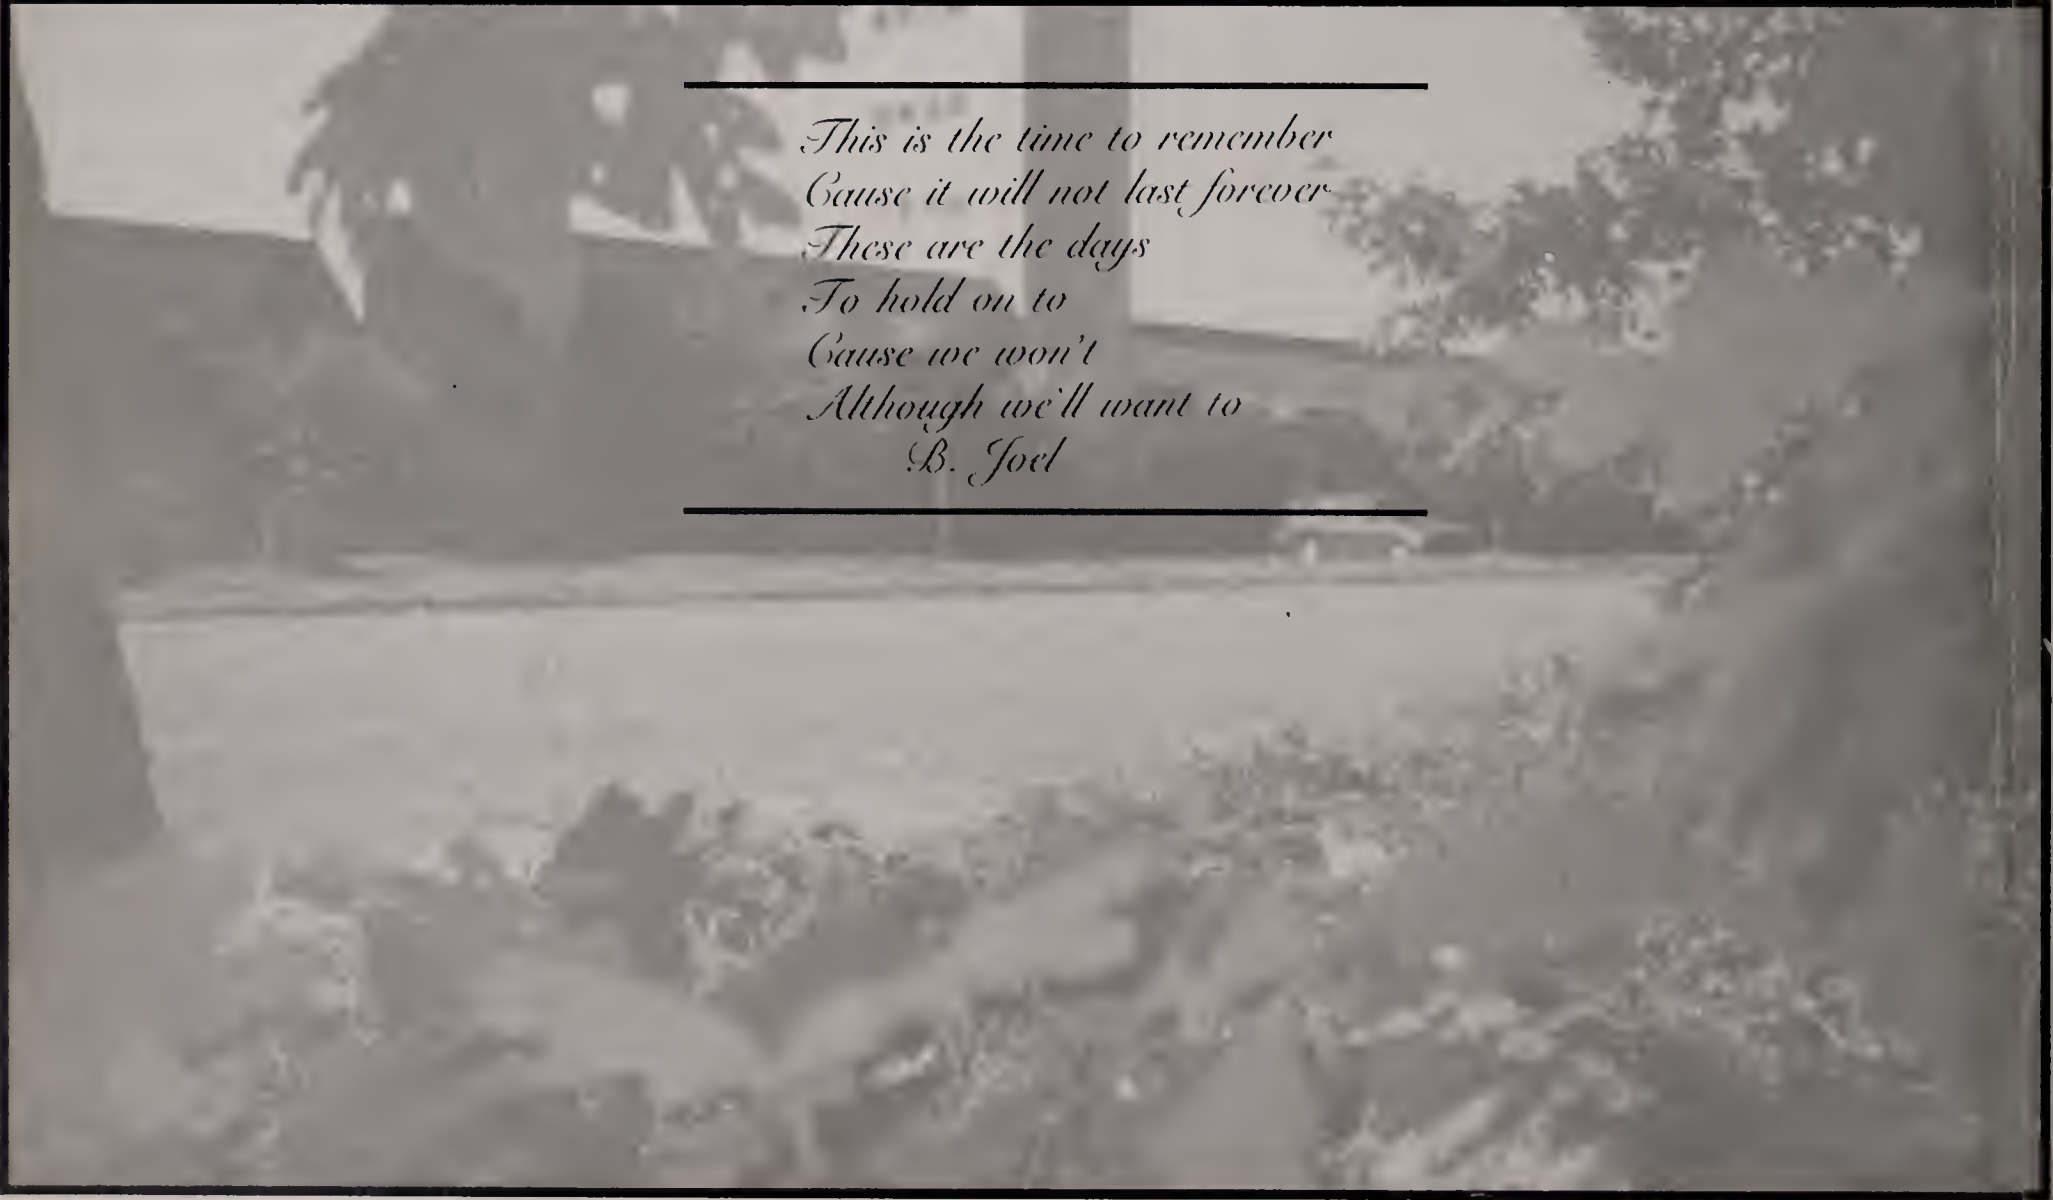

We entered the halls of RMHS as somewhat overwhelmed freshmen in September, 1992. One thousand new faces of faculty and upperclassmen greeted us that morning and there was no looking back. The first step, meeting our fellow freshmen, began in Decisions and in the agony of Gym Lab, and we were united by the time we finished Gym Finals. We had a choice of fast food in the commons, where as freshmen, we were condemned to eat. We watched as the football team made its way to the Superbowl, but couldn't grasp the title. Mrs. Mirkin struck a balance with Roles, Rights and Responsibility, and our class celebrated Springfest in the Foreign Language Department. The Courtyard was filled with music, Frisbees and a smoky barbecue, and the school looked wonderful, including that uniquely blue room.

Suddenly, we were sophomores, no longer at the bottom of the pile, and we were thrilled. It was a great year of sweet sixteens and permits. We were introduced to a new concept of Diversity and found ourselves able to discuss the issues surrounding us. Hats' off to Mrs. Mirkin's new policy. We danced half the night away at the Sophomore Semi and "Imagined" the rest. A track practice was trimmed, but Ritt got a win and Croft gave in. We envied the Senior's early graduation but celebrated the 350th with the entire town.

New freedoms awaited us as we entered our Junior year. We ate lunch in the cafe and experienced free periods for the first time. We were upperclassmen with licenses. The Hockey team found a new home at Burbank Arena and joined the boys soccer and both track teams in owning Championship titles. We were only beginning to realize our athletic potential. Our eyes were glued to the tube, watching the endless trial of O.J. Simpson. Many of us passed our mid-years with a little help from the sixth period fire drill. Before we knew it, it was time for tuxes, gowns and limos for the Junior Prom, "I'll Stand By You".

Senior year arrived quickly, and we embraced those mourning Dead fans. It was time to make plans for the future and we struggled through SATs, college applications (those essays!), and grades, grades, grades. Stress and "reforming" Red and Black days were introduced to our Senior schedules. We earned the right to rule the ledge. Pumpkining was carried out legally, and we were congratulated after the event. We gathered by televisions in every corner of the school to hear the jury announce that the Juice was loose. People got a little pumped up at the Halloween Dance and we lost our privileges. Seniors fought for a powder puff victory with blood, sweat and tears. The new Press box was dedicated and the sports teams were Champions. Football earned the Superbowl crown on home turf against a team that hadn't lost in years. The girl's Soccer team turned around and went to the Tournament. The Hockey team won the league and debuted in the FleetCenter, and both Basketball teams made it to post-season tournaments. Continuing in the RMHS tradition, the boys and girls Indoor Track teams were league and State Champions.

We are leaving now — moving on to our future, but we will keep the memories of RMHS with us. We look forward to the years ahead of us and dream about all that life can bring. But for now, **This is the Time To Remember . . .**

*This is the time to remember
Cause it will not last forever
These are the days
To hold on to
Cause we won't
Although we'll want to

DEDICATION

We, the Class of 1996, dedicate the PIONEER to our Class Advisors, Ms. Pamela Pratt and Mr. Peter Rittenburg. You have taught us, been our mentors and have become our friends. You have given us your wisdom, guidance and endless time over the last four years and have encouraged us every step of the way. PIONEER 1996 is dedicated in your honor.

“His style of teaching does not stop in the classroom; it can be applied to life.” Sarah Takach

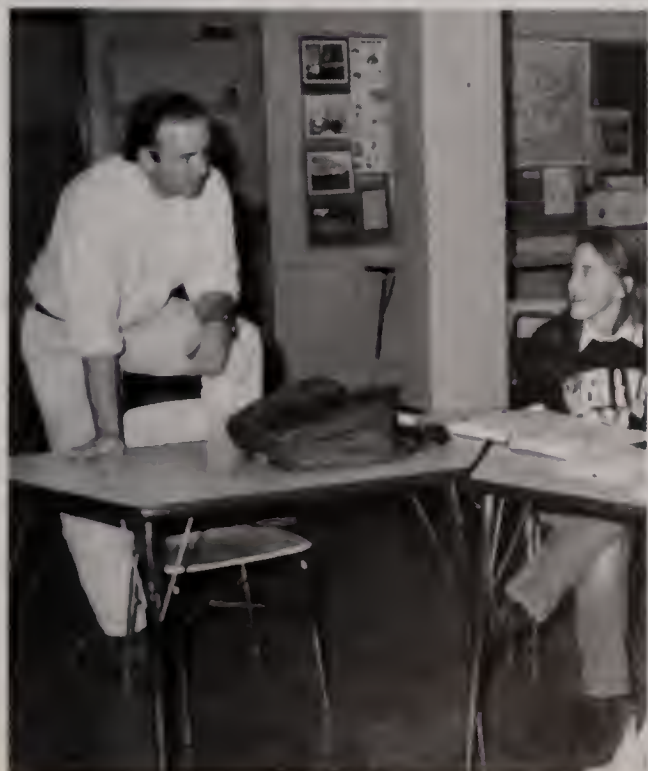

Mr. Rittenburg “understands us like no one else”. He is described as an “excellent teacher who makes us think and who has worked hard to bring our class together”. As Assistant Track Coach, he has been there for us in all seasons, encouraging us to excel and listening to us when we needed a moment.

MR. PETER RITTENBURG MS. PAM PRATT
CLASS ADVISORS 1996

“Not only is she a friend and a great teacher, she is also a great advisor.” Laura Fraser

Ms. Pam Pratt is a very special person who has boundless energy when it comes to the Class of 1996. As Class Advisor, she has been there for us, always with a smile, helping us as we worked our way up from freshman year. She has been involved in every aspect of our class and has inspired us with her dedication.

DR. HARRY K. HARUTUNIAN
SUPERINTENDENT OF SCHOOLS

READING PUBLIC SCHOOLS

Dear Class of 1996,

It was with a great deal of honor and pleasure that I became your Superintendent in August of 1995. During this school year I have had the pleasure of attending several events where many of our seniors have shown great leadership and academic promise. Your performance both in and out of the classroom and on the athletic field have brought new recognition to Reading Memorial High School.

We congratulate you on completing your education here in Reading. On behalf of the parents, teachers, administrators and the entire Reading community, we wish you luck and continued success in all your future endeavors.

Sincerely yours,

Harry K. Harutunian, Ph.D.
Superintendent

MRS. RENA P. MIRKIN
PRINCIPAL

Dear Class of 1996,

This is the time — the time for you to go forward, taking with you the hologram of your life's experiences. Your years at R.M.H.S. have been a very special time in your lives; a time to learn, to grow, to question, to explore, to reach new understandings and meet new challenges. As you leave the comfort and intimacy of the world you have always know, have the confidence to meet new challenges, embrace change and broaden your horizons.

You have been a class of individuals, pursuing your own initiatives and adding to the fabric of life at R.M.H.S. You have given uniquely of yourselves, contributing ideas and participating in decisions that will influence our high school environment throughout the decade. As a group, you are keenly aware of social and political issues, health issues and the many complexities facing our global village. Many of you will be members of the college Class of 2000! As we prepare for the next century, indeed, the next millennium, we look optimistically to your leadership. We wish you Godspeed.

Sincerely,

Rena P. Mirkin

Mrs. Mirkin is also "graduating" this year from RMHS. In July, she will become the new Principal at Wellesley High School. As our Principal for the past five years, she has impacted and improved every aspect of the Reading Memorial High School experience. We have truly benefited from her dedication, innovation and selflessness. We wish her great luck and success as we leave together, and thank her for giving us the foundation to achieve for ourselves.

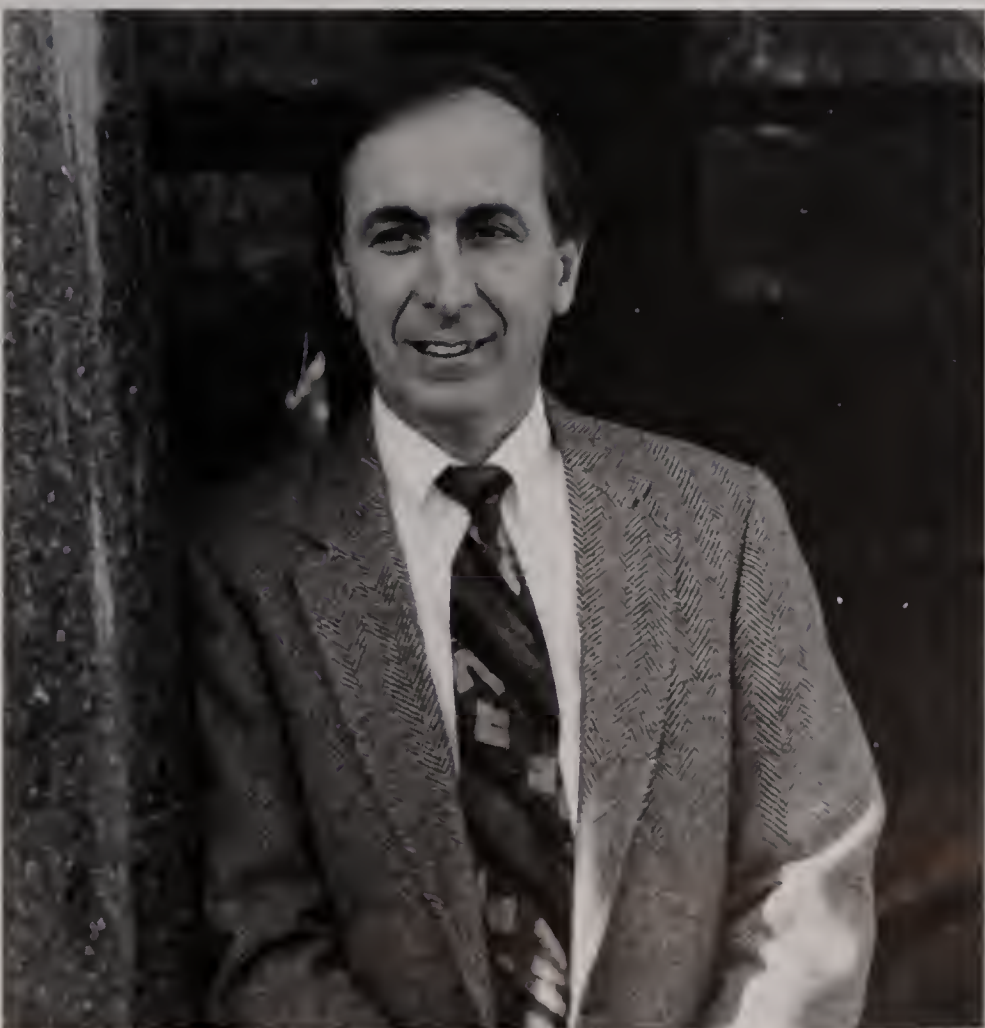

ROBERT QUINN
ASSISTANT PRINCIPAL

PATRICK SCHETTINI
ASSISTANT PRINCIPAL

When we first came to Reading High from Middle School, we were assigned to Mr. Schettini. As the Assistant Principal for Freshman and Sophomores, it was his job to make sure that we knew the rules and the ropes at RMHS (no easy task), and give us "guidance" if we strayed off course. This rarely happened with our class, but when on the occasion it did, he was always there to set us straight. Mr. Schettini also has been the Coordinator for the Project Achieve program at the High School. Mr. Quinn inherited us when we became Juniors. As we matured, we had more mature (and sometimes immature) problems to deal with, and it was Mr. Quinn's always open door we knocked on. Whether it be school related or personal, a situation could be resolved with Mr. Quinn's wisdom, and he became our friend as well as an administrator. Although we did not realize it, these two men always gave us something we needed — their discipline, their positive outlook and most of all, their time.

ATHLETIC DIRECTOR PHILIP VACCARO

Mr. Vaccaro took over the position of Athletic Director in our Junior year. Before that, he was the boys varsity soccer coach and many of us have been in his Math classes. We all have many memories of Mr. V. throughout our years at RMHS — after all, we are his babydolls!! He is always willing to go the extra mile for his students and athletes. He attends just about every function the school sponsors, and is usually the first one there to set up and the last one to leave after the clean up. With never-ending enthusiasm he is an inspiration to all of us (how about those lucky shorts!!). Thanks for all your help, Mr. Vaccaro — we will miss you!

My memories belong in the corner of my mind, not on a piece of paper that will soon collect dust. My memories are timeless and are the foundation of who I will be and presently am not. Even when my soul takes a step to the left, my memories will never cease to be. For who I am now is different from who I will be minutes from now, all because of my memories. THE DIARY OF ANNE FRANK

On the fiftieth anniversary of the death of Anne Frank, the Drama Club performed "The Diary of Anne Frank" at RMHS. After weeks of preparation and rehearsal the curtain went up on October 19. The cast captivated the audiences. The backstage managers, lighting, sound operators and wardrobe crew produced a fantastic show that received rave reviews from the hundreds who attended. Thanks to our director, the now "world-famous" Bill Endsow, who gave us the guidance and tools to create a truly memorable evening.

Magic behind the stage

The RMHS Drama Club participated in the 35th Annual Massachusetts High School Drama Festival held in Natick on March 2, 1996. "On the Razzle" by Tom Stoppard, directed by Mr. Bill Endslo, won best actor honors for Senior Kimberly Dawson and a best costume design award for Senior Meredith Taitz. The group, which was selected to compete in the Semi-Finals in Fall River on March 9, 1996, garnered several awards. Bravo to the director, cast and crew for a job well done!

I wish upon a rainbow
On every single hue
And hope with my entire heart
That my one wish comes true.

I wish upon its colors
That together shine so bright
And if a single hue was missing
It wouldn't look quite right.

The key to its beauty is harmony
It's the way each color blends
If only the world could be a rainbow
Then we could all be friends.

I wish we could learn a lesson
From those glorious bands in the sky
Together we could find world peace
The least we can do is try.

FIELD HOCKEY

Captains Colleen Cashman and Allison Hanifan

The Reading Memorial High School field hockey team had a successful season this year. Once again, the team qualified for the state tournament. In the first tournament game, Reading beat Arlington 1-0 on an excellent corner goal scored by Melissa Richards and assisted by Jen Ahearn and Jessica Rush. In the second tournament game, Reading lost in triple overtime. Despite losing to Concord-Carlisle, Reading played one of its greatest games ever on their Field of Dreams. The team was led by co-captains Colleen Cashman and Allison Hanifan and seniors — Becky Burnham, Jen Ahearn, Emily Saurman, Jessica Rush, Rebecca Sanborn, Erin Craven and Lori Gorgone.

GIRLS SOCCER

The RMHS Girls Soccer Team had an outstanding season during this fall. Led by first year coach, Paul Austin, the team recorded the programs best ever record (15-6-1) and finished third in the Middlesex League. The Rockets reached the state tournament for the first time. During their tournament run, the team won three of four games, beating Cambridge R&L (4-0), number one seeded Acton-Boxboro (2-0) and fourth seeded Billerica (2-1) before bowing out to eventual State Champions, Winchester (5-0) in the North finals. The team was led by Co-captains Katie Murphy and Kristen Mirachi. The Rockets will enjoy the memories of many pasta parties, dress-up days and toilet papering. The seniors would like to wish next year's team which will be led by Lauriann Flanagan, Lynda Joudrey, Katie Corley and Kara Mirachi the best of luck.

BOYS SOCCER

Coach Welford with Captains Lee Mallett and Dave Peterson

Coach Don Welford watches the action

Dean and Josh take "five"

Led by first year varsity coach Don Welford and captains Lee Mallett and David Peterson, the '95 Boys' Soccer team finished with a successful 8-5-5 season. Viewed as a young, small and inexperienced team, the boys were ready to make a name for themselves. Having lost 9 of the 11 starters from last year's undefeated League Championship team, some felt that the Rocket's chances for having a successful season were "bleak." That is except for 19 determined players, a great coach and the team's faithful manager, Tuck.

The season started slowly with a loss to Winchester, but the team was able to rebound in the next two games by beating Watertown and tying the eventual League Champion team, Burlington. At the midseason break, Reading's record was a disappointing 2-3-4. With nine games left, the team needed 10 points to get into the tournament. The team went 6-2-1 in those games, giving them 13 points and a tournament birth. Sadly, the team lost their first tournament game to Arlington, 3-1.

The winning season was due to team work, coaching and great individual efforts. All-Star goalie Lee Mallett posted 8 shut-outs. Other players receiving All-Star recognition were Dave Peterson, Brian McGrath, Brendan O'Connell and Josh Borak, who was also League MVP, Eastern Mass All-Star, All State, Boston Globe All Scholastic and All New England. Six hardworking seniors, Mike Bozzi, Mike Foodman, Lee Mallett, Brian McGrath, Tim Murphy and Steve Palumbo leave next year's players to the leadership of captains Peterson, Borak and O'Connell. Congratulations on a great season and best of luck to next year's team!

GIRLS CROSS COUNTRY

After a successful 6-3 season our freshman year, the girls cross country team experienced two tough seasons. Despite our hard work we finished 2-7 our sophomore and a heartbreaking 0-9 junior year. The 1995 team decided to change all this and we pushed ourselves to the limit from the very beginning. Our efforts paid off in the end as we finished 4-5 senior year led by co-captains Laura Mallett and Julie Pandolfo. For the first time in three years we were also able to put a runner on the league all-star team as Sandra DiPillo ran consistently at the top of the league. Next year's team will be led by tri-captains Kylee Ivany, Jill Corbett and Sandra DiPillo as they continue to show the league what Reading Girls Cross Country can really do.

The boys cross country team had another great season. Led by senior co-captains, Tom Dulong and Chris Howell, the harriers finished tied for second place with a 7-2 record. Reading had two league All-Stars this season, Tom Dulong and Freshman Mike Conner. Being a young team, the Rockets have high hopes for next season. With Connelly, first year runner Phil Sorrentino, and next year's tri-captains, Kevin Barry, Kevin McGrath and Chris McMahon, the Rockets look to soar to the top of the Middlesex League.

Now in its second year at RMHS, the Girls Volleyball Team continued to gain experience and support from the school community. Next year, Volleyball will become a Varsity sport and will expand its current schedule. The team fought hard in all its matches this year and improved on last year's record while participating in a 12-game schedule. GIRLS SWIMMING

The girls' swimming and diving team finished second in the Middlesex League this year. Co-captains Carolyn Massa and Katie Flatley led a strong team including senior, Sarah Stroble. The team sent ten swimmers to the sectional meet at Regis College and five swimmers qualified for the states at Wellesly College.

The divers placed well in the league meet with three of the five members receiving ribbons. Three divers competed in the sectionals and one continued to the states. The team was led by Captain Danielle Boucher. Fellow senior Andrea Mugherini broke the school diving record.

READING MEMORIAL HIGH SCHOOL BAND

The RMHS Marching Band performed selections from the opera, *Carmina Burana*, during the halftime shows at the football games this year. The band performed in numerous competitions winning many gold medals; top Drum Major, percussion, color guard and overall music awards. This was the first year that we ever received a gold medal before finals, the first year that we captured all of the awards from our biggest rival, Blackstone Millville and the first year that we received the highest score ever at the finals at Boston University. All of the band members would like to extend a sincere thank you to all of the hard working parents who helped us put together a great marching show with wonderful props. In particular, the seniors would like to say a special thank you and a fond farewell to our director, Mr. Bunten, who has worked extremely hard to help us throughout our four years at RMHS. We have learned so much from Mr. Bunten and we will all miss him very much. Although it is hard to say goodbye, we will take with us all the memories and experiences which we have shared.

COLOR GUARD

The Color Guard has had a wonderful season beginning with band camp in August when we met our new instructor and ending with our last performance in the Memorial Day parade. Our captains, Erin McGlinchey and Jen Courtney, have done a great job this year preparing the color guard before every football game. We placed first in all our NESBA semi-finals and third in the final competition. We were honored with an invitation to perform at the competition at the Coast Guard Academy. Thanks to everyone who helped make this year so successful for the Color Guard.

FOOTBALL CHEERLEADERS

What a great year we have had, following the undefeated Rocket Football team all the way to the Superbowl!! This year's Tri-Captains were Erin Coakley, Jessica Tansey and Carrie Sampson. We will always remember the long hours of practice and the fun we had at the pre-game pasta parties, the bus rides, the toilet-papering and of course, all those locker decorations!! Special thanks to Mrs. Cindy Boutin for always being there for us.

HOCKEY CHEERLEADERS

For many of the members of the squad, the hockey season was our last as RMHS cheerleaders. We have spent many hours making posters, decorating lockers, and of course, toilet-papering various neighborhoods (always with biodegradable brands!). What could be better than cheering at the new Burbank Arena for the home games and having that "home ice advantage"? Great memories of Cheering Exhibitions, Championship teams, cheering at Boston College and at Boston Garden and the new Fleet Center for the Super Eight Tournament will always be with us. Captains Stacy Powell, Carrie Sampson and Annie Baione along with the entire squad send a special thanks to Coach Cindy Boutin for the endless hours she has spent with us.

BASKETBALL CHEERLEADERS

Cheering for the 1995-96 basketball team couldn't have been more exciting! We had a great time as the team had a winning season and we made it into the Tournament for the first time in years. Our squad was led by Tri-captains Julie McGovern, Sarah McKay and Jackie Ward this year. We learned many new routines, and after hours of practice, we were ready to show our stuff at the Hawkes. None of the good times we experienced and shared would have been possible without the dedication of our coach and friend, Laurie Giglio. Thanks, Laurie for all the time you gave us!

GIRLS BASKETBALL

The girls' varsity Basketball team had a very successful season ending with an overall record of 11 and 10. During the regular season we beat Lexington and nearly defeated unbeaten Burlington in a hard fought game that ended in a one point loss. In our last home game, we defeated Woburn, qualifying for the State tournament for the first time in seventeen years. We were matched up against powerhouse Masco, the second seed in our division. Although we were defeated, we worked hard and were able to leave the gym proud of our accomplishments. Our team was led by senior Co-captains Jen Thompson and Jessica Rush. Jen became the all-time leading scorer at RMHS with 1,080 points. She reached the 1000 mark at the seniors last home game. We would like to thank Coach Sue Stewart for her timeless dedication and belief in our team. The seniors would also like to thank the rest of the team for an incredible season. We will never forget you. If you BELIEVE, FOCUS and have DESIRE, you will go far. Best of luck next year!

SOFTBALL

Girls Softball at Reading Memorial High continues to dominate the Middlesex League. Each of our four years has produced excellent teams and Middlesex League Champions. As Juniors, we had a tremendous pitching staff that was almost invincible behind the strongest defensive infield in the league. This year, we will be led by Co-Captains Katie Murphy and Colleen Cashman and we feel confident that the Lady Rockettes will repeat as the League Champions! Thanks for all the memories and good luck to next year's squad.

BOYS TENNIS

The Reading Memorial High School tennis team had an excellent and truly zestful 1995 season. The Rockets finished 4th in the Middlesex league, and qualified for the MIAA tournament with a regular season record of 11-7. Reading, seeded 13th, then triumphed over fourth-seeded Arlington and fifth-seeded Cambridge Rindge and Latin, before bowing to top-ranked Saint John's in the semifinals. This was the best the Rockets had done in many, many years.

The 1995 varsity team consisted of mainly seniors, so this year's team will feel the loss. The team also received valuable doubles help from Cameron Ryan, Reading's exchange student from Australia. This year's Co-Captains Eric Rulison and Mark Maguire along with seniors Steve Berry, Charles Roumeliotis, and Mike Foodman will fill important varsity spots. The holes left by last year's seniors will be filled by promising underclassmen. The 1996 Rockets hope to follow in the same winning footsteps as last year's team. Coaches Bruce Appleby and Mike Hickey will help make this possible with their expert advice and coaching. They will help everyone pounce like "tigers" at the net. Sorry, no tie-dye this year.

GIRLS TRACK AND FIELD

This year's Girls Track and Field team will be defending the league title that we won back from Stoneham a year ago. This year's team has a great group of seniors and the underclassmen have proved themselves to be terrific athletes. Reading has many returning league bests from last year such as the hurdles, javelin and high jump and hopefully with these strengths and many others we will be able to win not only the Middlesex League Title, but also the Class B Relay Championship as well as the States. Despite all the complaints you hear when the daily workout is posted, we have all had a great time and will miss track when this year, our last season, comes to an end. This year's team will be led by captains Andrea Comeau, Laurie Mitchell, Sarah Takach and Julie Wurie. Special thanks to Mr. Feit for all the work that goes into making the Reading Girls Track team the perennial powerhouse that it has proven itself to be.

A SPECIAL THANK YOU

Throughout our four years at RMHS, so many factors have made our stay a positive experience. Usually, those working behind the scenes are unrecognized for their dedication and support. The parent organizations hold fundraisers constantly to support not only ongoing programs, but also to develop new ones for our benefit. We have enjoyed a strong community backing — the town of Reading, its merchants and the general population have made a commitment to all of our school activities. We have been the recipient of untold numbers of volunteer hours — in the classroom by tutors, from coaches and club advisors. All have donated their time to make these years the best possible for us. To all those who have worked so hard to give us the opportunity to truly be the best we can be, we, the Class of 96, applaud and thank you.

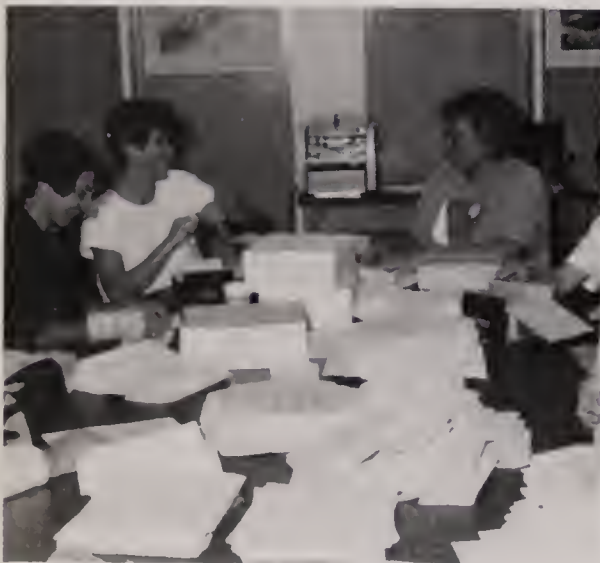

Retired SADD Advisors Irene and Les York never missed an event over the years

Without Mr. Cain's help, none of us would have been able to give those slide presentations!!

The Reading Band Parent's Organization never rests. They are dedicated to the music program, and the award-winning Band is the result!

The PTO sends out another newsletter, linking the Administration to all parents

Nelson Burbank donated funds for a community ice arena. We joined with friends to cheer our Hockey team to the Middlesex League Crown.

Our parents, families and friends have always been there for us.

The Boosters support all the athletic programs, and built the new Press Box (above)

The Senior Class Officers are elected in the spring before Senior year. This year, we elected seven students to represent the class before the Administration, and also to assume responsibility for the organization and preparation of all the Senior year activities. Getting us to "volunteer" to work on projects such as the Pancake Breakfast, the Spirit Dance and other fundraisers was no easy task! We always had a memorable time at each activity, and want to thank all those who made each one a success.

STUDENT ADVISORY COUNCIL

The Student Advisory Council is a group of twenty members elected to represent the entire student body. We meet regularly with the Principal and Vice-Principals and once every three months with the School Committee to discuss school issues and insure that student voices are heard in the running of the school. In the past two years, we have circulated surveys in order to get the students' perspective on how they feel the educational atmosphere can improve at RMHS. The survey results were published by both the *Orbit* and the *Reading Chronicle* and encouraged open discussion and the initiation of some positive changes to benefit all students.

STUDENT COUNCIL

The Student Council is comprised of elected representatives of the entire student body. Advised by Ms. Donna Pappalardo, the Student Council provides leadership and organization for both school and community activities. Within RMHS, activities such as Spirit Week, the Thanksgiving Pep Rally, Data Match, Teacher Appreciation Day and various student leadership conferences are under the auspices of the Student Council. As an outreach to the community, the Student Council sponsors parties for senior citizens, participates in Daffodil Day with the American Cancer Society, provides volunteers for the Reading Scholarship Foundation Telethon and organizes the annual Food Pantry canned goods drive. The funds raised by the Student Council are used to award scholarships to deserving students at graduation.

ATHLETES FOR A HEALTHY LIFESTYLE

Athletes for a Healthy Lifestyle is an organization of student athletes who wish to promote healthy lifestyles in our peers and in the town. The group is led by a board of five seniors and two juniors. All members agree to set positive examples by remaining substance free. We held a raffle in the fall as a fundraising effort. This raffle raised more money than any other fundraiser in the history of A.H.L. Due to the success of the raffle, we were able to hold the second annual Volleyball Tournament and a softball game. We also held an aerobics class for senior citizens on the town wide Day of Caring. We hope next year's group is as successful as this years. We would also like to thank Mrs. Jane Fiore, our advisor, for all of her help and enthusiasm.

Peer leadership is a group of sophomores, juniors, and seniors who act as role models in the school system and community. All peer leaders are supposed to remain substance free and are bound to that agreement by a contract. Peer leaders work in the high school, middle schools and elementary schools to promote healthy living and self esteem. Peer leadership has contributed to the town wide Day of Caring and also organized a candlelight vigil on the town common in commemoration of world AIDS day. Thank you to Mrs. Quinlan and Ms. Visconti, our advisors, for the leadership and enthusiasm.

MODEL UN

Model UN is a new group this year at RMHS. Through participation in the Model UN Program, students are provided the opportunity to research issues affecting the international community and come up with potential solutions to these complex problems. Students are afforded the opportunity to meet and share ideas with students from other schools.

The Young Republicans Club is in its second year at RMHS. It was formed to educate the students in understanding the political process. Members have the opportunity to work on current political campaigns, visit the State House to observe government in action, and meet our state and local representatives. A highlight of the club's first year was the chance to work as pages for the Republican Convention in Springfield in May of '94. Good luck to all who follow us next year!!

INTERNATIONAL CLUB

The International Club, created in 1994 as a union of the four individual language clubs, encourages multi-cultural awareness and participation in cultural events among all members of the RMHS community. Members organize trips to theatres, movies, restaurants and other local language-related events. Speakers are invited to come to RMHS and share with the club their travel and cultural experiences. This year, a student exchange program was implemented, with a group of high school students from Rouen, France joining the RMHS community for two weeks in October.

MOCK TRIAL

The Mock Trial team was created to provide students with an interest in law with the opportunity to assume the roles of lawyers and witnesses in the preparation and performance of trials in competition with teams from other schools. The statewide competition is sponsored by the Mass Bar Association. The team meets 2 or 3 times a week to become familiar with courtroom procedure and beginning in February, the team prepares for the state final which will be held in April. All competitive sessions are held in actual courtrooms and often a real judge will be presiding.

DRAMA CLUB

Our sophomore year was the turning point for the Drama Club. Beginning with Sean and the rug during Arsenic and moving on to Mike crossdressing with a seductive Nanny, or rushing to the Coffeehouse after Aladdin. Last year, we began with freshman Rob Smith horrifying our audience with the classic Dracula, then moving on to Drama Fest with the Scarlet Letter. DRAMA FEST . . . enough said! Coming home from the fest at the "Award Winning Drama Club" we wrapped up the year with a hectic three weeks as Jerry barked in "Wiley and the Hairy Man". We owe all of our success to our devoted director Bill Endslo, who literally broke his back helping us achieve our dreams.

SCHOOL COUNCIL

In 1993, the Education Reform Act established school councils in every school throughout the State of Massachusetts. At RMHS, the council consists of the Principal, three parents elected by the parent community, two teachers elected by the faculty, two community representatives and two students elected by the Student Council. The Council meets once per month to review ongoing school improvement plans.

The group performs at several concerts during the year, including the Holiday and Spring Concerts held at the High School, the Reading Public Library Appreciation Night, as well as the "Pops Night". The opportunity to join Singers is open to the entire student body, and after gaining experience in the choral group, some members are invited to try out for the New England District Chorus and eventually a chance at All-State Chorus. The Orbit, our school newspaper, is published six to seven times a year. It began publication in our Freshman year, and has since expanded into a class, "Introduction to Newspaper Production." Under the direction of Ms. Starrett, the newspaper staff keeps the student body at RMHS informed about what goes on at the High School. Current events, sports, activities and student concerns always are included in every issue. All articles are written by the staff and students from each class are encouraged to submit their work to The Orbit.

A SHORT Story

Impressions literary magazine publishes student photography, poetry, artwork and short stories. Under the guidance of Advisors Ms. Montejunas and Mr. Harney, the staff learned various steps of production including writing, editing, typesetting, layout and printing. Putting it all together before deadline has proven to be a real challenge and the staff is committed to publishing more than one issue per year.

Putting The Pieces TOGETHER

This year over 100 students signed up to work on the 1996 Pioneer. After losing some volunteers to other activities and commitments, we ended up with a core group of about fifty on the staff and eleven Executive Board members. We spent many long days, nights and weekends in the Yearbook office writing, editing, re-writing, selecting photos, doing layout, chasing down copy and trying to come up with ideas to make the '96 Pioneer unique. We think we have succeeded! Special thanks to Purdy-Vantine Studios for the thousands of great pictures they provided us. It was difficult to pick the ones we used — they were all terrific!! Thanks also to Advisors Mrs. Karen Cerretani and Mrs. Maureen McDonald for the countless hours they spent with us to create *Pioneer '96*.

ADOPT A STUDENT ATHLETE

The Adopt a Student Athlete program was started in 1995 by Athletes for a Healthy Lifestyle and Peer Leadership. It is a group of high school students that act as big brothers and sisters for elementary and middle school age students. The high school athletes act as role models and help the young students with homework. The athletes are also people that the younger kids can talk to if they need someone to listen. The first year, the program was run only in Barrows, but has expanded this year to include Killiam and Parker as well as Barrows.

AIDS AWARENESS

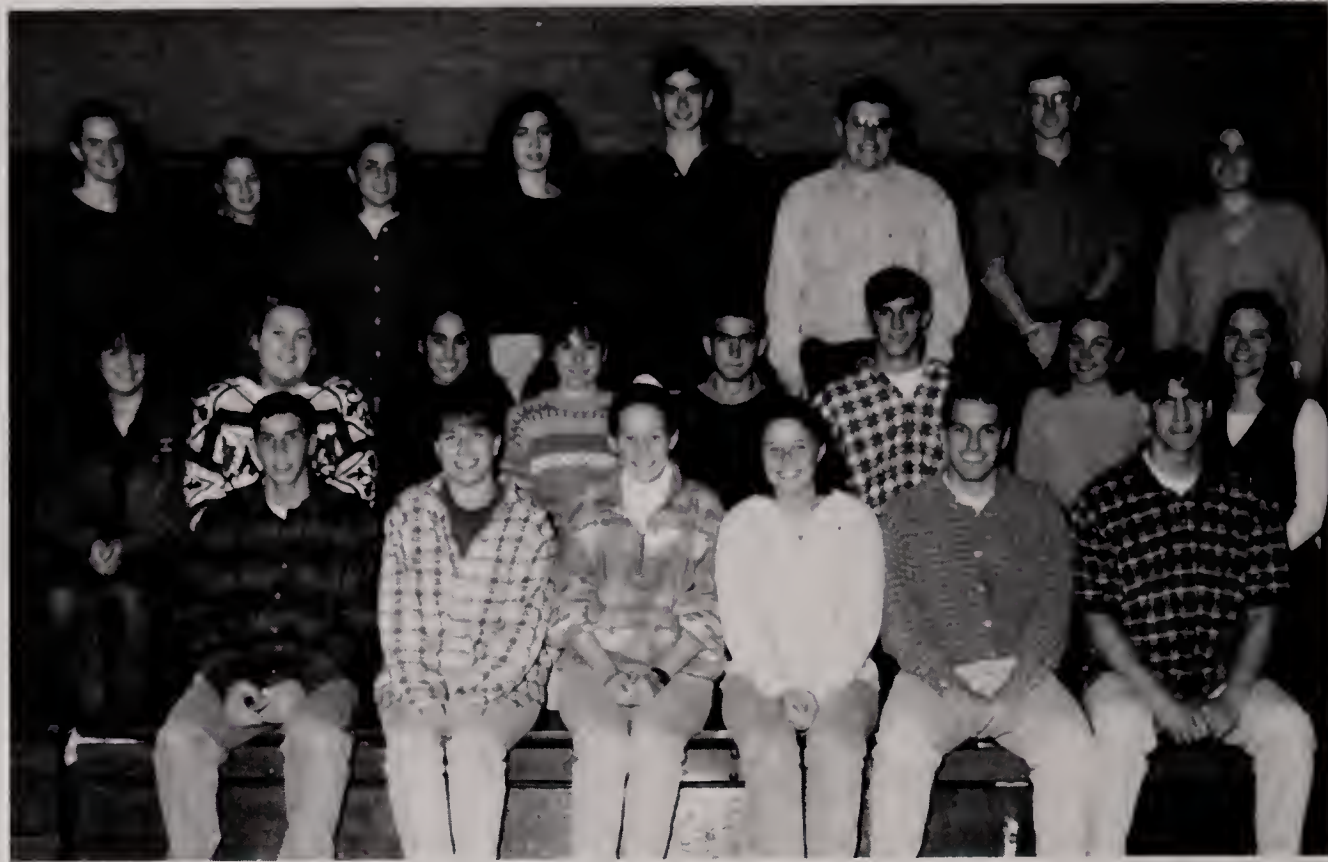

The AIDS Awareness Committee is a group of students dedicated to the education of the student body. To promote awareness, the committee sponsors one week each year devoted entirely to AIDS and HIV related topics. In past years, we began the week with the annual AIDS survey, and ended with an incredible presentation by two young adults living with AIDS. In addition, we have sold T-shirts to raise funds for AIDS research, and last year a candlelight vigil was held on World AIDS Day on the Reading Common. Remember, don't let it destroy us.

NATIONAL HONOR SOCIETY

Members of the National Honor Society must meet several requirements. A G.P.A. of 3.7, demonstrated leadership, and documented community service activities and exceptional character are required to be inducted. Each year the society performs a service activity under the direction of Mr. Debeck. This year the society ran a clothing drive that encompassed the entire Reading school system. The drive was one of the most successful service activities ever completed. Nearly five hundred bags of clothing were donated to the Lazarus House in Lawrence.

After we leave RMHS, we will remember the friendships which were formed in this class.

STUDENT VOLUNTEERS

Volunteers can always be found at RMHS. Many students donate their time as peer tutors, library aides and Seem assistants. We have several ongoing programs that match students in the high school with "apprenticeships" in elementary school classrooms. Winchester Hospital reports that more students volunteer from Reading than from any other community. All who have been involved in these volunteer opportunities have had wonderful and rewarding experiences. Caitlin Quinlan is shown here with Conor in the REAP Extended Day Program housed at RMHS.

SEEM

Reading participates in a six town collaborative program called SEEM. There are two SEEM classrooms at RMHS. The emphasis of these programs is similar to that of the high school's philosophy. The curriculum focuses on reading, math, writing, work, social skills, and practices applying learned skills to everyday situations.

Over the past several years, a successful Peer Tutor Program has increased cooperative learning opportunities. Peer Tutors have found this to be beneficial because they learn more about themselves and others by working within the SEEM program.

STUDENTS AGAINST DRIVING DRUNK

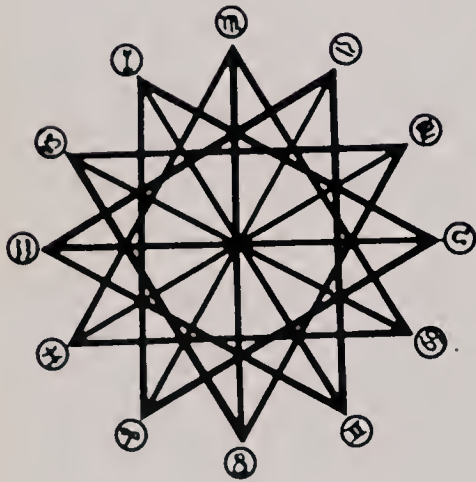

Students Against Driving Drunk or SADD is an organization whose goal is making students aware of the importance of driving sober. Each year, SADD sponsors many activities to heighten students' awareness of the dangers of drinking and driving. Yearly, April is designated as SADD Awareness Month. During this month, guest speakers share personal experiences with the student body, red ribbons are tied on car antennae as visual reminders not to drive drunk and the Reading Fire Department demonstrates the "Jaws of Life" in a wrecked car which has been towed to the school. This year our advisors, Les and Irene York, had to resign due to health problems. We would like to wish them well and thank them for all their years of dedication and devotion to the SADD program at RMHS. Their kind and gentle ways have touched many lives.
